Zinc (as zinc oxide)	15 mg	100%	100%
Copper (as cupric oxide)	1.5 mg	75%	75%

**OTHER INGREDIENTS:** Croscarmellose Sodium, Magnesium Stearate, Microcrystalline Cellulose, Silicon Dioxide, Stearic Acid, Film Coating (Hydroxypropyl Methylcellulose, Titanium Dioxide, Triacetin).

**INDICATIONS:** PRENATE ELITE® is a multivitamin/multimineral dietary supplement indicated for use in improving the nutritional status of women throughout pregnancy and in the postnatal period for both lactating and nonlactating mothers.

**CONTRAINDICATIONS:** PRENATE ELITE® is contraindicated in patients with a known hypersensitivity to any of the ingredients.

**PRECAUTIONS:** Folic acid alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where Vitamin B<sub>12</sub> is deficient. Folic acid in doses above 1.0 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations progress.

**WARNING:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

**ADVERSE REACTIONS:** Allergic sensitization has been reported following both oral and parenteral administration of folic acid.

**DOSAGE AND ADMINISTRATION:** Before, during and/or after pregnancy, one tablet daily or as directed by a physician.

**HOW SUPPLIED:** Bottles of 30 tablets. (75854-314-30).

The listed product number is not a National Drug Code, but has instead merely been formatted to comply with standard industry practice for pharmacy and insurance computer systems.

Store at 20° - 25°C (68° - 77°F); excursions permitted to 15° - 30°C (59° - 86°F). [See USP Controlled Room Temperature.]
